

VIVEK KUMAR TIWARI

Assistant Professor,
Dept. of Pharmacology,
Gokaraju Rangaraju College of Pharmacy,
Osmania University, Bachupally, Kukatpally
Hyderabad – 500 090, AP, India

Email: vivek.tiwari087@gmail.com
Phone: 9032015157

Research Interests:

- ❖ Oncology.
- ❖ Neurology.
- ❖ Pharmacology of autocooids.
- ❖ Endocrine Pharmacology
- ❖ Drug design and development.
- ❖ Biopharmaceutics and pharmacokinetics..

Education:

1. M.Pharmacy (2011-13): Pharmacology, Mallareddy Institute of Pharmaceutical Sciences, Secundrabad, Telangana, India.
2. B.Pharmacy (2007-11): Sitha Institute of Pharmaceutical Sciences, Telangana, India.

Professional Recognition, Awards, Achievements:

1. Reviewer of Journal of Pharmacology studies open access

Total Experience: 3 years 6 months

Representative Publications:

1. Chiluka Anunya, **Vivek Kumar Tiwari**, P. Veeresh Babu, M. Ganga Raju. "Antiulcerogenic and anti-inflammatory activity of Moringa oleifera bark in wistar alnino rats". World Journal of Pharmaceutical Research (Accepted)
2. T. **Vivek Kumar**, M. Vishalakshi, M. Gangaraju, Parijat Das, Pratiti Roy, Anindita Banerjee, sayan Dutta Gupta. Evaluation of antibacterial, antioxidant and nootropic activities of Tiliacora racemosa Colebr. leaves: In vitro and in vivo approach biomedicine and pharmacotherapy 86 (2017) 662-668
3. P. Veeresh Babu, Swetha Bandi, M. Ganga Raju, M. Prathima, **Vivek Kumar Tiwari**. "Antioxidant and immunosuppressant activity of Pueraria tuberosa". International Journal of Pharmacy & Pharmaceutical Research 2016; 8(1): 23-34.
4. Pratap, Veeresh; Varla, Soundarya; M, Ganga Raju; N V L, Suvarchala; **Tiwari, Vivek Kumar**. "Various treatment modalities of Rheumatoid arthritis-a perspective study, Rheumatology (communicated)

Conference Publications:

1. 69th IPC 2017 Punjab, India. **Vivek Kumar Tiwari**. In vitro & In vivo Nootropic evaluation of methanolic leaf extract of tiliacora racemosa.

2. 62nd "IPC-2010" on December 17-19 th held at Manipal University, Udipi, Karnataka and presented a poster on the topic "evaluation of hepatoprotective activity of phonix dactylefera against ethanol induced rats".

3. IPC, 2016, Andhra university, Vishakhapatnam , Andhra Pradesh India.

4. Recent developments in in vivo experimentation - Apractical approach GRCP Hyderabad, Telangana.

5. E.Santhosh, Vivek Kumar Tiwari, M. Ganga Raju. " Evaluation of immunomodulatory and antiarthritic potentials of methanolic stem extract of tecoma stans linn in wistar albino rats". Poster presented at RAPID-2017 held at JNTUH, Hyderabad, India, 21st - 22nd JUL 2017.

Life Member of the Following National Societies:

1. Registered Pharmacist: Andhra Pradesh Pharmacy Council (71673/A1)
