About the college

Gokaraju Rangaraju College of Pharmacy was instituted by Gokaraju Rangaraju Educational Society (GRES) in 2003. GRCP creates an environment that opens up new worlds of opportunity. From the day of its inception, the college is producing highly qualified human resources who are academically superior and ethically strong. College is approved by PCI, New Delhi - affiliated to the Osmania University, Hyderabad. Currently, GRCP is offering **B. Pharm** (100 Intake), **M. Pharm.** (Pharmaceutics, Pharmaceutical Analysis, and Pharmacology) with 15 Intake in each specialization and it is an approved research center to conduct research in Pharmaceutical sciences.

Vision:

To be one among the best pharmacy colleges that promotes knowledge, skill development, and responsive to the changes towards the health care needs of the society.

Mission:

- To provide qualified and competent pharmacists through the education, practice and service
- To promote problem- based learning and innovation oriented research in the young pharmacists for the progress of the profession.
- To provide professional, environment that promotes the pharmacists self-learning development and growth.
- To allow the young pharmacists to imbibe professional and social value.

Programme Educational Objectives (PEOs)

PEO1: Graduates will be able to discharge the responsibilities of pharmacist with adequate understanding of supportive areas as needed in this multidisciplinary area of health care system.

PEO2: Pharmacists should be able to plan, design, execute and simulate experiments and provide solutions related to drugs and dosage forms.

PEO3: Integrate the knowledge base of pharmaceuticals for better design of drugs and dosage regimen.

PEO4: Pharmacists will be able to be a part of the team to communicate well with other professionals in providing medicines needed to the society with standards, professional ethics and social responsibilities.

PEO5: Pharmacist will be able to become a lifelong learner to absorb newer technologies and thus offer leadership role in the society.

Principal Note

Dr M. Ganga Raju, Professor & Principal, GRCP, Hyderabad

It gives me immense pleasure to present the Annual Progress Report of Gokaraju Rangaraju College of Pharmacy for the academic year 2024–2025. This year has been a remarkable journey of academic excellence, innovation, and holistic development, furthering our commitment to nurturing competent and compassionate pharmacy professionals.

Our faculty and students have consistently demonstrated dedication towards academic pursuits, research initiatives, and community outreach. With an unwavering focus on quality education, we have successfully implemented contemporary teaching methodologies, strengthened our research ecosystem, and fostered a culture of continuous learning. Notably, our students have excelled in various university examinations, secured prestigious internships, and actively participated in national and international conferences, bringing laurels to the institution. In addition, collaborations with industry partners and research organizations have been fortified, providing our students with valuable exposure to real-world applications and innovations in pharmaceutical sciences.

I take this opportunity to express my heartfelt gratitude to our dedicated faculty, supportive management, industrious students, alumni, and parents for their relentless support and trust in our vision.

As we move forward, let us continue to uphold the values of excellence, integrity, and service that define Gokaraju Rangaraju College of Pharmacy. Together, let us strive to make even greater contributions to the field of pharmacy and healthcare, shaping a brighter, healthier future for all.
